## About the Presenter

Cathy is a professional nurse educator for the perinatal service line of a large private hospital system in Georgia where she serves as the lead educator for the system's Women's Alliance for Healthier Outcomes which includes Gnosis work, AIM Safety Bundle Implementation and education surrounding other quality and safety initiatives. Prior to assuming this role in November 2020, Cathy served as the lead educator for the system's Perinatal Fellowship charged with preparing new graduate nurses and those new to obstetrics for independent practice. She has been in nursing for 28 years with 26 of those years in obstetrics. Cathy has served as a staff nurse, charge nurse, assistant nurse manager and professional nurse educator. She received her BSN from Liberty University and returned to her alma mater for her MSN in Nursing Education. Cathy is an instructor for AWHONN Fetal Heart Monitoring, NRP and Advanced Life Support in Obstetrics programs. She authored and teaches review courses for both the In-Patient Obstetrics and Electronic Fetal Monitoring certifications exams. Cathy serves as the AWHONN GA Section Chair and is a charter member of Journey Through Bereavement, a perinatal palliative care program. Her nursing passions include simulation training, TeamSTEPPS, patient safety, and perinatal bereavement.
